Re: Junior Certificate Results.

On Wednesday 12th September 2018, Students will receive the results of their Junior Certificate examinations.

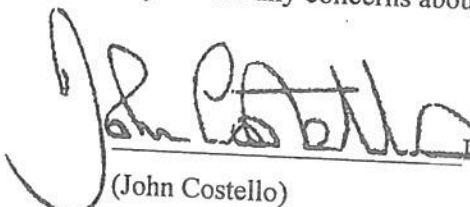

This is the first adventure into the world of state examinations by these young adults and the ensuing pressures exams bring with them.

From our experience we find that some people use this celebration as a time to drink to excess and get themselves involved in mindless activities. As Police Officers, we have a duty to ensure that young people do not interfere with other citizens and their peace.

We ask your assistance with the following;

- Bringing your children to whatever celebration they are attending
- Collecting them from the venue when it is over
- Check that they are attending the chosen venue
- Know where they are and who they are with.

If you have any concerns about your child on the night, do not hesitate to call us. We are here to help.
