**Re: Junior Certificate State Examinations 2018**

---

Dear Parents/Guardians,

I am seeking your support in relation to the last week in school and the Junior Certificate State Examinations 2018 which take place from 6<sup>th</sup> June – 20<sup>th</sup> June 2018.

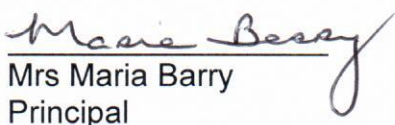

1. During the in-house examinations which take place from Tuesday 29<sup>th</sup> May to Friday 1<sup>st</sup> June 2018 your daughter will have some teaching classes and supervised study. It is school policy that all students attend school until the last day of the term.
2. During the state examinations students **must be** on the premises **30 minutes** before the exam on the first day and 15 minutes every other day. Please encourage your daughter to stay in her exam centre for the duration of the examination. This will enable your daughter to maximise her performance.
3. Mobile phones **are not** permitted in the state examinations centres.
4. There is **no** organised supervised study during this time.
5. All students are expected to be in their **full school uniform** during the state examinations.
6. During scheduled examinations students not doing exams and present in/outside the school area are expected to behave in an orderly manner.
7. There are no canteen facilities during the examinations, students should make their own arrangements for lunch.

In case of emergency outside of school hours, please contact mobile no. **086-3574846**.

The period before and during the Junior Certificate Examinations can be very stressful. Please note that we are available to advise or listen at any time during the coming weeks.

Thank you for your support.

Yours sincerely,

  
Mrs Maria Barry  
Principal
