Re: Leaving Certificate State Examinations 2018

Dear Parents/Guardians,

I am seeking your support in relation to the State Examinations which will take place from 6th June 2018 – 22nd June 2018:-

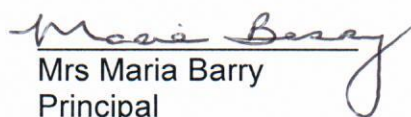

1. During the in-house examinations which take place from Tuesday 29th May to Friday 1st June supervision and some teaching classes will be available. A timetable will be given to students at the end of next week.
2. During the state examinations students **must** be on the premises **30 minutes** before the first exam and 15 minutes every other day. Please encourage your daughter to stay in her exam centre for the duration of the examination. This will enable your daughter to maximise her potential.
3. All students are expected to be in their **full school uniform** during the state examinations.
4. There is no organised supervised study during this time.
5. During scheduled examinations students not doing exams and present in/outside the school area are expected to behave in an orderly manner.
6. There are no canteen facilities during the examinations, students should make their own arrangements for lunch.
7. Mobile Phones **are not** permitted in the state examinations centres.

In case of emergency outside of school hours, please contact mobile no. **086-3574846**.

The period before and during the Leaving Certificate Examinations can be very stressful. Please note that we are available to advise or listen at any time during the coming weeks.

Thank you for your support.

Yours sincerely,

Mrs Maria Barry
Principal
